

## **BRIAN HIGGINS**

*"The people's favourite comedian" – The Stage*

*"Daft but very funny" – The Guardian*

One of that not so rare breed, a mad, hard-drinking ginger-haired Scotsman, Brian Higgins is also one of that rarer set – he's funny! A favourite with students, he manages to both ignore and play up to the stereotype to laugh both with and at him, in a spellbinding set that covers everything from a "loony childhood", his former days as a paramedic (honest), as well as life's ups and downs in an always topical set. Described as the "people's favourite comedian" by The Stage combined with his energetic delivery, he never fails to deliver the goods.

As well as being one of the busiest acts on the circuit, he has headlined the best clubs not only in the UK but Dubai, Hong Kong, Singapore, Ireland and cruise ships all over the world.
