

# **CHAMBERS & NETTLETON**

**“Comedy Double Act, divine and very funny” - Time Out**

**“They’ll leave you in hysterics” - The Stage**

**“Experts in tailoring an act to suit an audience” - Unison**

Northern lasses Chambers and Nettleton are emerging triumphant as one of the brightest comic duos on the circuit today. The only female double act cutting it on the live comedy circuit, they are fast gaining a reputation for their warmth, infectious charm and caustic wit. Before a long-term friendship turned into a double act, Lynn sailed the world as a singer and performer and writer of comedy reviews! Sally went from drama school into acting, began improvising characters and onward into stand-up. Their success is not just contained to live work though; a major project with Mediatheme will see the duo performing recorded performances in over 300 venues nationwide, not to mention Lynn’s appearance on Churchill’s latest TV ad.
