KEVIN COLEMAN

Raw, passionate and very funny. Performing comedy since 2005, Kevin's made a huge impact on the circuit and none more so than winning The Comedy Club's 'Funny Business' talent competition in 2007. Widely regarded as one of the best newcomers from South Wales this award only helped reinforce what everyone in Wales knows, this man is going to be big! Combining his anger and frustration with laser sharp wit, Kevin delivers scathing yet hilarious observations of all those people who make everyday life more difficult than it should be. Kevin's unique, compassionate and brutally honest material always leaves audiences wanting more.
